PREFACE

IJME: International Journal Management and Economic (p-ISSN: 2829-0399 (print), e-ISSN: 2829-0526 (online); Volume 4 No. 2 Year 2025 (May 2025) is the second edition to be published in 2025. Articles published by the IJME Journal have been published in Full text and Open Access in PDF format online at: <https://journal.admi.or.id/index.php/IJME>. Starting in 2022, only articles originating from research results can be published in the IJME journal after being reviewed by Mitra Bestari.

IJME: International Journal Management and Economic published the only paper that strictly followed the IJME guidelines and templates for manuscript preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by editorial members (according to the field of specialization) and will be screened by the Managing Editor to meet the criteria required for IJME publication. Manuscripts will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their area of specialization. IJME has reviewed the form to keep the same item reviewed by two reviewers. Then the editorial board makes a decision on the reviewer's comments or suggestions.

Reviewers give an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature reviews, case reports and concept or policy articles, in all fields of Management and Economic. Articles to be published are original works and have never been published. Articles submitted will be reviewed by a team of reviewers who come from internal and external to the Asosiasi Dosen Muda Indonesia (ADMI). IJME is published periodically every 4 months, namely in January, May and September.

The Editorial Board will strive to continuously improve the quality of the journal so that it can become an important reference in the development of engineering sciences. The highest appreciation and gratitude go to Mitra Bestari along with the members of the Editorial Board and all parties involved in the publication of this journal.

The Editorial Board also expects scientific articles from readers to be published in Volume 4 No 3 September 2025 after going through a review process by the Editorial Board and/or Mitra Bestari. Starting from Volume 1 Number 1 January 2022, the IJME journal appears with a new environmental style and a new article format leading to a better one. Complete writing instructions for 2024 are displayed on this journal's portal.

Regards,

Chief of Board
