Reviewers give an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature reviews, case reports and concept or policy articles, in all fields of Management and Economic. Articles to be published are original works and have never been published. Articles submitted will be reviewed by a team of reviewers who come from internal and external to the Asosiasi Dosen Muda Indonesia (ADMI). IJME is published periodically every 4 months, namely in January, May and September.

The Editorial Board will strive to continuously improve the quality of the journal so that it can become an important reference in the development of engineering sciences. The highest appreciation and gratitude go to Mitra Bestari along with the members of the Editorial Board and all parties involved in the publication of this journal.
